On Sunday, July 9/17, The BPSA held our annual Pork and Beef BBQ to help raise funds for and awareness of the clubs many conservation projects. Murray Garniss and his team put together a meal fit for a King & Queen. The pork and beef roasts came from local markets and may have been the best yet. Ray Marklevitz, Gord Smith and other were out by 8:00 AM to get the hard wood and apple wood coals just perfect for the task at hand.

Teams of barbecue helpers, servers, tent erectors traffic direction all worked together to ensure everyone had a great time. Several guests also toured our hatchery and club house facilities.

Larry (MP) and Darlene Miller were on hand to congratulate the BPSA on our 55 years of commitment to Conservation and the Community and Larry is pictured presenting Club President Jim Martell and Member Don Elliott with a Certificate of Recognition celebrating 55 years in Conservation. Larry is also a proud member of the BPSA and not afraid of rolling up his sleeves to pitch in when his busy schedule permits.

Annual Chantry Classic Fishing Derby

The annual Chantry Classic Fishing Derby runs from July 29-August 13, 2017 on Lake Huron and parts of Georgian Bay. The Chantry, hosted by the Lake Huron Fishing Club, offers more than 60-thousand dollars in cash and prizes in a number of fish categories. Derby boundaries stretch north from Kincardine to Stokes Bay and to the east from Colpoy's Bay to Dyer's Bay.

Our Bruce Peninsula Sportsmen's Association is one of hundreds of sponsors of this derby. So we were invited to join the Chantry "Sponsors-Media Day" event. We guests were invited aboard "The A-Team" a handsome well equipped Great lakes sports fishing vessel, owned by the Lake Huron's Club's Ernie Ackert.

President Jim Martell and members Ian Laughland and Stu Paterson represented BPSA. Derby supporters Huron Bruce MPP Lisa Thompson and daughter Deidra were also on board. Thanks to the expertise of Ernie, crew members Bob Hicks and Derek Griffiths, we caught six fish all trout with the top weight of 9 pounds.

Later at the sponsor's day luncheon, President Martell thanked the Lake Huron Club for all its hard work stocking fish and for hosting our BPSA team. Stu Paterson emphasized how much our club appreciates the great help of the Steelheaders and the Lake Huron club members for making sure we have enough rainbow trout eggs to support our BPSA hatchery.

Check the derby site at www.chantrychonook.com for all the information you need about what the Lake Huron Fishing Club calls the "largest fishing derby on Lake Huron".
