

# Fur, Fins and Feathers

November 2019

The Clubhouse is off Old Oliphant Road on Northacres road and off County Road 13 in Wiarton.  
Next meeting, November 28th, 2019 at 7:30 p.m. Your participation is welcome and anticipated. For inquiries e-mail [bpsportsmen@gmail.com](mailto:bpsportsmen@gmail.com) or mail to P.O. Box 548, Wiarton, Ontario N0H 2T0

## Club Roof Repairs Complete

Lots of volunteers showed up to assist with the roof repair. Some of the steel was lifted and repairs made underneath. The eaves trough on the one side was re-installed to help with drainage away from the building.

A large bird nest was removed from under the side at the front entrance. Hopefully these repairs will help stop the leak but if there is an ice build up we will need to look at heater wire or another option.

# Archery Club held its 2nd Annual 3-D Tournament

On October 5th the Archery Club held its 2nd Annual 3-D Tournament followed by a Pot Luck in the evening. In all we had 37 people in attendance. Everyone had a great time doing the course and socializing afterwards. Grandparents, Aunts and Uncles were there.

We had two guest shooters come try it out. A great variety of food and lots of it for supper. All the participants received a certificate and we had 6 medallions handed out in the different categories.

Kennedy Jones won the Sportsmanship Award. Kennedy is great and encouraging the new kids and keeping up spirits of all. Jane Thibodeau presented Kennedy with her award. Jane has won many a trophy herself for archery.

# Facelift for Fish Stocking Trailer

Equipment that plays a major role in the Bruce Peninsula Sportsmen's Association (BPSA) fish stocking program has had a facelift. The tank trailer that hauls fish to various stocking sites had a makeover. It was sand blasted, had a fresh paint job, and now boasts new decals promoting our fish stocking. BPSA members Murray Garniss, Gord Smith, Stan Mc Neil, Wayne Musselman, Ken Barrett, and Mike Smith and were responsible for most of the trailer work.

John deJong, BPSA member and owner of Johnny Tint, Graphics & Design of Owen Sound did the decal vinyl graphics work. BPSA Fish Hatchery manager Al Sutter said about the new graphics "they look awesome, and thanks to BPSA member Mike Smith for taking care of organizing this project and to John from Johnny Tint for donating and installing the eye catching weather-proof decals. The trailer looks brand new with the fresh paint and graphics."

With the new decals you will not miss this trailer as it transports hatchery raised fish for stocking in Georgian Bay.

For decades this trailer has played a major role in BPSA's respected fish stocking program. Since the sixties BPSA has planted more than 4-million trout and salmon in Georgian Bay waters. In the near future our freshly revitalized trailer will play big role in planting loads of rainbow trout at Barrow Bay and Gleason Brook.

When you see our trailer on the road, you will be assured that positive things are happening that will benefit our recreational fishery.

Johnny Tint has provided top quality, professional and friendly service in the Owen Sound area since 1998. His automotive tinting experience dates back to 1991. Thanks John and your staff.
