### **Jan. 2020 Handgun Club Report**

**Membership:** Mark Young reports 66 Paid Members as of Dec. 31/19. There are a few more that didn't make it by the end of 2019 but will rejoin. We also have four (4) Probationary shooters, most of whom will have completed their probation within the next couple of weeks.

**Treasurer:** Jo-Anne Stevens stepped up and has been appointed Treasurer, congratulations Jo-Anne. Her appointment will be confirmed at the spring HG Club General Meeting. Dec. 31/19, balance, \$ **26,745.01**. Current balance Approx. \$ **31,450**. (totals from Ladies and Youth pending)

**Thank you Jorge Klein for all your work the past number of years.**

**Competition Team:** We have 20 Members signed up to compete this year including several new Members. We have only had three shoots so far this season with the BPSA Team winning all three.

**New Range Officer:** John DeJong has completed his training and has been confirmed as a new Range Officer. Congratulations John.

**Range Improvements:** New laminated panels have been installed by Kelly, Frank and Al on the range port doors and side frames. The new panels are a major improvement as they are easily cleaned and improve the appearance of our range. The panels were supplied by Johnny Tint

(John DeJong). John also supplied the artwork on our Fish Stocking trailer. Thank you John for all your club support!!

**Youth Firearm Safety Program:** The Youth program started up on Sunday, Jan. 19/20, 1:00 PM and is again headed up by Rob and Krista Quesnel. We have held the cost at \$ 15.00 again for the six consecutive week program in order to encourage area youth participation. We had 30 young people out in 2019 giving us a revenue of \$ 450.00 but the actual cost of running the program was almost \$ 700. (ammunition, targets, snacks and awards). Jan. 19/20, we had a wonderful turnout again. - Young People Are Our Future -

This program is very important to the BPSA and our community & I'd like to make a motion that the Parent Club contribute \$ 100. to help cover any shortfall's experienced. There are a minimum of 10 HG Club Members out every week to facilitate and act as safety officers/mentors to our youngsters. One on One supervision is a must.

Special thanks to Krista and Rob for all the hours they put into this great program and to all the HG Members that volunteer their time every Sunday afternoon.

**Ladies Shooting Program:** Started on Jan. 19/20, Sunday evenings at 7:00 PM. The cost is \$ 35.00 for the six weeks + the cost of ammunition. A great time is had by all and we have many repeat shooters every year. Six or seven volunteers from the HG Club provide safety and mentoring every year. Firearms (.22 cal.) are provided by the club or experienced shooters may bring their own firearm. 25 Ladies came out for the 1st. session on the 19th. and had a great time and turned in very respectable targets. Well done all!!!

The Ladies program is coordinated by Patricia Krieg.

Thanks as well to Frank Hutter for his guidance and the HG Club Volunteers for coming out every week.

**Donations:** The Handgun Club held our second annual Pizza Day in December and we had \$ 40.00 left over which was donated to the Warton Salvation Army to help with their good work.

Bob McKenzie donated a new 12 cup coffee maker when our old one packed it in. Thank you Bob!!

***As always, guests are welcome to come out and try their hand at handgun shooting. Firearms and ammunition will be provided for newbie's for their 1st. session at no charge and one of our range officers will be on hand to ensure safety and a good time is had by all.***

Submitted By,

Al Hunter

President, BPSA Handgun Club

## Jan. 30th 2020 Hatchery Report

We received our Brown Trout eggs from the Chatsworth Hatchery Dec. 30th. We had a bit of a slow hatch but it is complete now. Hatch Started Jan. 10th and was over Jan. 21st. We had a great hatch over 95% survival.

Our 2020 Aquaculture, collection & stocking licence applications have been completed. As per our meeting last fall with MNRF in Owen Sound, the decision was made to start the licensing process earlier in the year to avoid conflict with our Rainbow egg collection in the springtime.

Yearling Rainbows in the hatchery are growing well and will be ready for fin clipping around the first of April.

Hatchery water Flow 25-30 GPM. Temp 5 degrees

Alan Sutter

### Bruce Peninsula Sportsmen's Association 2019 Hatchery Summary

<b>Total Fish Stocked 2019</b>	<b>85,565</b>
<b>Species:</b>

Trailer Project	\$417.69	
Oxygen Meter	\$775.18	
<b>Total.</b>	<b>\$11,678.78</b>	<b>\$6,000.00</b>

Stocked Fingerlings mid Nov. instead of Aug./Sept. over 2.5 times  
 Larger when stocked 2018= 74,645 or 139 lbs Fingerlings stocked  
 2019= 28,750 or 151 lbs Fingerlings stocked

## Scheduling report

Unfortunately only members with gmail accounts can access the online calendar. Please feel free to write all events on the board at the club house once you have checked availability.

Jan and Feb scheduled events include Youth firearms training Sunday afternoons and Ladies shooters program Sunday evenings. Both started Jan 19th and run 6 consecutive Sundays.

### Archery Report January 2020

December found the Archery Club busy with building and participating in the Warton Christmas Parade. The theme this year was Candyland.

Bruce and Corrie Beacock donated the use of a 16-foot trailer and picnic table. Bruce built the foundation of the float at home and drove it over to the club. With help of parents, youth, the hatchery folks and Wayne Mussleman the float was transformed into a candy factory.

Mark Hewton built us a 4' X4' house with gumdrops on the roof and it was further decorated and lit up with the help of everyone. The picnic table held a huge peppermint twist decorated with red and white lights. Walking candy canes were on the float using large paint brushes and "painted" the candy with lights.

Cameron Jones, 11, was a great sport and allowed us to dress him up as a walking jellybean. All the girls were candy canes, they handed out 8 kilograms of candy along the route.

Our entry started with Kyleigh and Austin Dickinson proudly carrying our new Archery Club banner. The banner is 8' by 3' and displays our club name, logo and "Yours in Conservation".

Followed by Bruce and Phil Henderson towing the candy float were the walking candy canes then Paul Maginnis towed the fish stocking tank and trailer from the Hatchery. The trailer looked great sporting new decals and signs. The trailer was also lit up with Christmas lights and signs advertising the club and fish stocking.

All the effort resulted in a great time for the youth and adults and as a great topper they won the award for Best Lights in the parade.

Before heading out Corrie made a great hot dinner for everyone to help keep everyone warm along the cold route.

Congratulations and thanks to everyone for their help.

We continue opening the 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays of the month at the Home Hardware Design Center. At this time, we have had to cancel only one night due to weather. Unfortunately, it was the last night before Christmas that had to be cancelled. The spirit prevailed though and on the first return night after the holidays we were all treated to Christmas Cookies made by Lexi Hewton 11 years old. Thanks Lexi they were excellent. Everyone that came out that night received a Christmas treat bag as well.

We welcome new members for this year, the Zevenbergen's', Charlie, Tom, Willem and Jocelyn. The MacLeod's', Ewain and Nelson. The Hutchinson's', David, Laurie, Nichole, Alexis. The McNamara', Jason, Cindy, Caleigh, and Will. Emily Schmidt.

January 20<sup>th</sup> practice had us with a line up of 17 people launching arrows and 21 people in attendance. We have a great mix of adults and youth participating.

Subject: Introduction QDMA Grey Bruce Branch

Jim Martell

Hi Jim,

This is an introduction.

I am the founding president of the local Quality Deer Management Association, Canada - Grey Bruce Branch.

I would be interested in exploring common ground and club goals.

We have a complementary subscriptions available for our QDMA 'Whitetails' magazine. Perhaps your branch could make them available to your members, at the club library.

If you are interested, please provide a mailing address. I am hoping that your club could use them in your club library, with the hopes of educating your members on QDM and possible enticing a few to join us.

We are aiming to plant 5,000 mast trees this year, and erect some interpretation signage at outdoor education centres.

Perhaps we could join forces in these efforts, too.

Please do drop me a line or call me at the number below.

David Legault, P.Geo.

Town of **SOUTH BRUCE PENINSULA**

December 11, 2019

Bruce Peninsula Sportsmen Association  
c/o Karen VanNest  
[kvn\\_ca@yahoo.com](mailto:kvn_ca@yahoo.com)

Dear Members:

The Town of South Bruce Peninsula is holding Family Skating during the Christmas holiday season and would like to invite the Bruce Peninsula Sportsmen Association to participate.

Your sponsorship includes:

- Ad in the Warton Echo listing you as a sponsor
- Flyers sent to students at Peninsula Shores, Hepworth and Amabel Sauble Schools (pending approval)

- Posters listing all dates and sponsors distributed around the Town of South Bruce Peninsula
- Information on Marquee Sign in front of Town Hall
- Providing an opportunity for families to participate in a free event!

Weekday dates available for sponsorship for \$225.00 per day includes:

- March 16-19: 12-2pm (March Break)

Weekend dates available for sponsorship for \$250.00 per day includes:

- December 21: 7-8:30pm
- January 4: 7-8:30pm

If you have any questions or would like to sponsor one or more dates, please feel free to contact me. Dates are available first come, first served basis. Thank you for considering sponsorship of Family Skating at the Warton Arena.

Thanks,

*Karen Neerhof*
