Family Day Open House 2020

Once again the Family Day open house at the BPSA was a great success. With an estimated count of guest of over 200 people.

This was a fabulous opportunity to once again show the local residents what we have to offer and what we provide for the community. These are great opportunities to open our doors to the public . We had an excellent turnout from Dignitaries, teachers and families with the youngsters. All which enjoyed the displays of all of our activities great hotdogs and of course Ice Cream Bars.

We had fantastic turnout of over 25 volunteers , thank you to everyone who participated to make the day a great success. It's so nice to see everything we have to offer when all of our clubs activities are there to represent in one gathering .

Great interest was shown in all the branches of our club from the Hatchery , Archery, Firearms safety, Black powder displays and the Handgun Club. I think Jo-Anne wowed the crowd with her monster .460 Cannon she brought for display.

We also like to thank the Kitchen staff for the day. Sharon, Dianne and Lachlan did a great job serving up some of the tastiest hotdogs and ice cream and on such a beautiful day. We're still not sure if Lachlan was there because of the hotdogs or the ice cream bars, but for 9 years old he did well at consuming the tasty treats and for volunteering over 5 ½ hours.. The donations jars brought in just over \$238.

We would like to thank the Bread Depot in Owen Sound where we can no place wholesale orders for pick up to ensure only the freshest of buns. Chapman's Ice Cream from Markdale now sell to us direct via email orders and pick up. We receive all Chapman's products at cost now as per a email via myself and Shannon Ried of Chapman's. Bryce McKinnon offers to deliver the ice cream form Chapman's as a favor to the club.

Once again thank-you to all those involved and made this day what it was .

Great Club spirit.

Yours in conservation

Archery Report for February General Membership Meeting 2020

Archery has been very busy on Tuesday evenings. Normally we have about 20 archers over the evening. We have had 21 new members sign up since October 1st for 2020.

On Family Day we had our banner up and a table with different style bows and safety gear on show. A sign up sheet for new people to sign up for an Orientation evening has brought us 10 new potential members.

We have found that after an event such as Family Day when several new people wish to attend it is better to set up an evening just for new people. It gives time to help each person with learning and is much more comfortable than being tossed into the ring with all the experienced archers.

The Orientation dates are February 25th and March 3. Space is still available in the March time slots.

Special Thank You to Corrie and Bruce Beacock for opening and running the program on Tuesday the 18th. They had 23 people that evening.
