

Youth Firearms Safety Program Awards Day

Robert and Krista Quesnel did another amazing job running the Youth Firearms Safety Program. The instruction was superb. Keeping track of the scores and getting prizes for everyone. Smiles all around the room. Good job Rob and Kritsa.

Robert and Krista Quesnel did another amazing job running the 2024 Youth Firearms Safety Program. This year's program might just have been the best ever. The BPSA clubhouse was packed to capacity with participants along with Moms and Dads and volunteers. The instruction was first rate. Other jobs included keeping track of the scores and getting prizes for everyone. Smiles were evident all

around the room. Great job Rob and Krista and this year they added additional interest by bringing in a terrific display of taxidermy including a "talking deer". Many thanks as well to the 10 volunteer safety officers that provided one on one instruction and mentoring over the six week program.

Ladies Sunday Night Shooting Program Finale

Sunday, March 10th. marked the end of the 2024 Ladies Sunday Night Shooting Program. There was a large turnout and as in other years shooters arrived keen to try their hand at handgun shooting on the last night. Participants were offered the choice of firearms and 100% opted to checkout semiautomatic pistols, single action and double action revolvers.

The previous five weeks involved shooting a number of models of different .22 rifles. Scores ran from very good to great with the top score for the season being 99/100. Congratulations all!! If you ever wondered whether the ladies were enjoying the shooting and camaraderie check out the photos. Several of the Ladies have also been enjoying the new BPSA rifle program where shooters can compete against other rifle shooters or simply just shoot for enjoyment. (firearms are available at the club or bring your own)

This year as part of the windup the Ladies feasted on Pizza and pastry treats following the shooting but several stayed late after pizza and continued shooting.

Many thanks go out to Patricia, Frank, Carl, Deborah, Al and the seasoned shooters that help provide tips, support and guidance to our new shooters and make the 2024 season the best yet.
